4 to chapter 46.16 RCW; and adding a new section to chapter 43.60A RCW.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 46.16 RCW  
7 to read as follows:

8 (1) The legislature recognizes that the armed forces license plate  
9 collection has been reviewed and approved by the special license plate  
10 review board under RCW 46.16.725, and found to fully comply with all  
11 provisions of RCW 46.16.715 through 46.16.775.

12 (2) The department shall issue a special license plate collection,  
13 approved by the special license plate review board and the legislature,  
14 recognizing the contribution of veterans, active duty military  
15 personnel, reservists, and members of the Washington national guard.  
16 The collection includes six separate designs, each containing a symbol  
17 representing a different branch of the armed forces to include army,  
18 navy, air force, marine corps, coast guard, and Washington national  
19 guard.

1 (3) Armed forces special license plates may be used in lieu of  
2 regular or personalized license plates for vehicles required to display  
3 one and two vehicle license plates, excluding vehicles registered under  
4 chapter 46.87 RCW, upon terms and conditions established by the  
5 department.

6 (4) Upon request, the department must make available to the  
7 purchaser, at no additional cost, a decal indicating the purchaser's  
8 military status. The department must work with the department of  
9 veterans affairs to establish a list of the decals to be made  
10 available. The list of available decals must include, but is not  
11 limited to, "veteran," "disabled veteran," "reservist," "retiree," or  
12 "active duty." The department may specify where the decal may be  
13 placed on the license plate. Decals are required to be made available  
14 only for standard six-inch by twelve-inch license plates.

15 (5) Armed forces license plates and decals are available only to  
16 veterans as defined in RCW 41.04.007, active duty military personnel,  
17 reservists, members of the Washington national guard, and the spouses  
18 of deceased veterans. Upon initial application, any purchaser  
19 requesting an armed forces license plate and decal will be required to  
20 show proof of eligibility by providing: A DD-214 or discharge papers  
21 if a veteran; a military identification or retired military  
22 identification card; or a declaration of fact attesting to the  
23 purchaser's eligibility as required under this section.

24 (6) The department of veterans affairs must enter into an agreement  
25 with the department to reimburse the department for the costs  
26 associated with providing military status decals described in  
27 subsection (4) of this section.

28 (7) Armed forces license plates are not available free of charge to  
29 disabled veterans, former prisoners of war, or spouses of deceased  
30 former prisoners of war under the privileges defined in RCW 73.04.110  
31 and 73.04.115.

32 NEW SECTION. **Sec. 2.** A new section is added to chapter 46.16 RCW  
33 to read as follows:

34 (1) "Armed forces license plate collection" means the collection of  
35 six separate license plate designs issued pursuant to section 1 of this  
36 act. Each license plate design displays a symbol representing one of

1 the five branches of the armed forces, and one representing the  
2 Washington national guard.

3 (2) Armed forces license plates are not available free of charge to  
4 disabled veterans, former prisoners of war, or spouses of deceased  
5 former prisoners of war under the privileges defined in RCW 73.04.110

11 46.16.301(1) (a), (b), or (c), as existing before amendment by section  
12 5, chapter 291, Laws of 1997, in an amount calculated to offset the  
13 cost of production of the special license plates and the administration  
14 of this program. This fee is in addition to all other fees required to

8 a county for the purpose of paying the principal and interest payments  
9 on bonds issued by the county to construct a baseball stadium, as  
10 defined in RCW 82.14.0485, including reasonably necessary

31 Upon the determination by the department that the state has been  
32 reimbursed, the treasurer shall credit the proceeds to the veterans  
33 stewardship account established in section 5 of this act.

34 **Sec. 4.** RCW 46.16.755 and 2004 c 222 s 4 are each amended to read  
35 as follows:

36 (1)(a) Revenues generated from the sale of special license plates  
37 for those sponsoring organizations who used the application process in

1 RCW 46.16.745(3) must be deposited into the motor vehicle account until  
2 the department determines that the state's implementation costs have  
3 been fully reimbursed. The department shall apply the application fee  
4 required under RCW 46.16.745(3)(a) towards those costs.

5 (b) When it is determined that the state has been fully reimbursed  
6 the department must notify the house of representatives and senate  
7 transportation committees, the sponsoring organization, and the  
8 treasurer, and commence the distribution of the revenue as otherwise  
9 provided by law.

10 (c) For purposes of meeting the reimbursement requirements stated  
11 in this section, an organization sponsoring a license plate collection  
12 that includes two or more license plate designs must inform the  
13 department how the reimbursement requirement is to be met for that  
14 collection. Unless the state's implementation costs have been prepaid,  
15 the sponsoring organization must elect one of the two following  
16 reimbursement options:

17 (i) The sponsoring organization may elect to dedicate the revenues  
18 from each plate in the collection to meet the reimbursement requirement  
19 for implementation of that individual plate design. If one or more  
20 plate designs within the collection cannot meet the reimbursement  
21 requirement, those specific plates may be placed in probationary status  
22 or discontinued as provided in subsection (2) of this section. Those  
23 plates that meet the reimbursement requirement, however, will continue  
24 to be made available for sale by the department of licensing.

25 (ii) Alternately, the organization may elect to dedicate the  
26 revenues from all plates to meet a common reimbursement requirement for  
27 the collection in its entirety. Although one or more of the plate  
28 designs within the collection cannot meet the reimbursement  
29 requirements individually, if the total revenues from the sale of all  
30 the plates within the collection are sufficient to meet the entire  
31 collection's reimbursement requirements, the complete collection will  
32 continue to be made available. If revenues are insufficient to meet  
33 the reimbursement requirement for the complete collection, the entire  
34 collection may be placed on probation or discontinued as provided in  
35 subsection (2) of this section.

36 (d) Selection of either of the alternatives in (c)(i) or (ii) of  
37 this subsection does not preclude an organization from reimbursing the

1 department at any time from sources other than revenue from the sale of  
2 the special license plates.

3 (2) If reimbursement does not occur within two years from the date  
4 the plate is first offered for sale to the public, the special license  
5 plate series must be placed in probationary status for a period of one  
6 year from that date. If the state is still not fully reimbursed for  
7 its implementation costs after the one-year probation, the plate series  
8 must be discontinued immediately. Special plates issued before  
9 discontinuation are valid until replaced under RCW 46.16.233.

10 (3) The special license plate applicant trust account is created in  
11 the custody of the state treasurer. All receipts from special license  
12 plate applicants, except the application fee as provided in RCW  
13 46.16.745(3), must be deposited into the account. Only the director of  
14 the department or the director's designee may authorize disbursements  
15 from the account. The account is not subject to the allotment  
16 procedures under chapter 43.88 RCW, nor is an appropriation required  
17 for disbursements.

18 (4) The department shall provide the special license plate  
19 applicant with a written receipt for the payment.

20 (5) The department shall maintain a record of each special license  
21 plate applicant trust account deposit, including, but not limited to,  
22 the name and address of each special license plate applicant whose  
23 funds are being deposited, the amount paid, and the date of the  
24 deposit.

25 (6) After the department receives written notice that the special  
26 license plate applicant's application has been:

27 (a) Approved by the legislature the director shall request that the  
28 money be transferred to the motor vehicle account;

29 (b) Denied by the special license plate review board or the  
30 legislature the director shall provide a refund to the applicant within  
31 thirty days; or

32 (c) Withdrawn by the special license plate applicant the director  
33 shall provide a refund to the applicant within thirty days.

34 NEW SECTION. Sec. 5. A new section is added to chapter 43.60A RCW  
35 to read as follows:

36 (1) The veterans stewardship account is created in the custody of  
37 the state treasurer. Disbursements of funds shall be on the

1 authorization of the director or the director's designee, and only for  
2 the purposes stated in subsection (4) of this section. In order to  
3 maintain an effective expenditure and revenue control, funds shall be  
4 subject in all respects to chapter 43.88 RCW, but no appropriation is  
5 required to permit expenditure of the funds.

6 (2) The department may request and accept nondedicated  
7 contributions, grants, or gifts in cash or otherwise, including funds  
8 generated by the issuance of the armed forces license plate collection  
9 under chapter 46.16 RCW.

10 (3) All receipts, except as provided in RCW 46.16.313 (12) and  
11 (13), from the sale of armed forces license plates must be deposited  
12 into the veterans stewardship account.

13 (4) All moneys deposited into the veterans stewardship account must  
14 be used by the department for activities that benefit veterans,  
15 including but not limited to, providing programs and services for  
16 homeless veterans; establishing memorials honoring veterans; and  
17 maintaining a future state veterans' cemetery. Funds from the account  
18 may not be used to supplant existing funds received by the department.

19 **Sec. 6.** RCW 73.04.115 and 1990 c 250 s 91 are each amended to read  
20 as follows:

21 (1) The department shall issue to the surviving spouse of any  
22 deceased former prisoner of war described in RCW 73.04.110(2), one set  
23 of regular or special license plates for use on a personal passenger  
24 vehicle registered to that person.

25 (2) The plates shall be issued without the payment of any license  
26 fees or excise tax on the vehicle. Whenever any person who has been  
27 issued license plates under this section applies to the department for  
28 transfer of the plates to a subsequently acquired motor vehicle, a  
29 transfer fee of five dollars shall be charged in addition to all other  
30 appropriate fees. If the surviving spouse remarries, he or she shall  
31 return the special plates to the department within fifteen days and  
32 apply for regular license plates.

33 (3) For purposes of this section, the term "special license plates"  
34 does not include any plate from the armed forces license plate  
35 collection established in section 1 of this act.

1       **Sec. 7.** RCW 73.04.110 and 2004 c 223 s 6 and 2004 c 125 s 1 are  
2 each reenacted and amended to read as follows:

18 department of licensing. The special license plates shall bear

21 license shall be issued annually for one personal use vehicle without  
22 payment of any license fees or excise tax thereon. Whenever any person  
23 who has been issued license plates under the provisions of this section  
24 applies to the department for transfer of the plates to a subsequently  
25 acquired motor vehicle, a transfer fee of ten dollars shall be charged  
26 in addition to all other appropriate fees. The department may  
27 periodically verify the one hundred percent rate as provided in  
28 subsection ~~((4))~~ (1)(d) of this section.
